Letter No. 2693/70-29, dated the 5th September, 1929,
from the Inspector of Schools, Coorg and Bangalore.

Opening of a Training class for Urdu speaking
women teachers.

The file No. 83/1926 which is required for reference
in this ^{case} was returned by the Secretary on the 24th September,
1929.

The Inspector of Schools recommends the opening of a
temporary training class for Urdu-speaking women teachers
in the Station for a period of two years with effect from
the 1st July, 1930. The extra cost involved by the proposal
for two years amounts to Rs. 6,492/- (i.e. Rs. 2,592 in
1930-31 and Rs. 3,900 in 1931-32).

He proposes to meet the above expenditure as follows:-

i. The opening of the Muhammadan Boys' school -----
provided for the current year in the 5-year programme may
be postponed to 1931-32 and the provision made for it ----
(Rs. 2,148) utilized for the first year's expenditure.

ii. The opening of Muhammadan girls' school during
1931-32 at a recurring cost of Rs. 2,900/- may be post-
poned to 1932-33 and the savings utilized for the second
year.

As regards (i) it is not clear how savings during the
current year (1929-30) can be utilized during next year
(¹⁹³⁰⁻³¹ 1931-32), as we have to surrender to the Government of
India every year all savings under the 5-year programme-
Vide S.N. 35/A/83-26. Further this is a new proposal not
included in the original 5-year ^{pro}programme. The sanction
of the Government of India is necessary for including this
proposal in the 5-year programme.--Vide paragraph 3 of ----
letter No. 2303-Edn., dated the 17th October, 1927, from
the Government of India, Department of Education, Health
and Lands.

From the Inspector's letter, it appears necessary
that

that a temporary training class for women teachers should be opened. The proposal may perhaps be included in the programme for 1930-31 which we are about to submit to the Government of India.

The extra cost involved by the proposal can be met from general savings of Rs. 5,170/- (7,810-2,640) under the five-year programme referred to by the Government of India in S.N. 64/83-26 and Rs. 677-4-6 surrendered to the Government of India in S.N. 68/83-26. Both these sums amount to Rs. 5,847/-. The Inspector should find the balance viz. Rs. 645/- from the allotment under the 5-year programme in 1931-32. This will not in any way interfere with the 5-year programme and the Inspector can open the Muhammadan Boys' school during the current year and the Muhammadan girls' school during the next year. If he postpones opening any of these schools, it would be very difficult afterwards to obtain the sanction of the Government of India for the continuance of these recurring ----- grants after 1931-32.

The file may perhaps be sent U.O. to the Inspector of Schools, Coorg and Bangalore, with the request that he will be so good as to state urgently whether he sees any objection to the proposed training class being financed as suggested in paragraph 6 ante. Submitted for orders.

To

The Secretary to the Hon'ble the Resident.
in Mysore, Bangalore.

Sir,

'Opening of a Training class for Urdu-speaking women teachers'.

I have the honour to enclose herewith a letter dated 31-7-29, from the Correspondent, C. E. Z. M. Schools, proposing the opening of a training class for Urdu-speaking women teachers.

2. I enclose a statement showing the number of trained and untrained teachers working in the 5 Muhammadan Girls' Schools in this Station. You will see from it that out of 30 women teachers employed in all the five schools, only 13 are trained and certificated. Five were trained some years ago, but they have not passed the Teacher's Certificate Examination and have been classed as untrained teachers for the purposes of recognition and grant under Article 145 of the Madras Educational Rules. Twelve untrained teachers were on the staff of the 5 schools on 31-3-29, and when 5 of the trained but uncertificated teachers are added to this number, the total number of teachers to be trained comes to 17. In view of the fact that we have more Muhammadan Girls' Schools to be opened under the Five Year Programme, the need for trained teachers has become urgent.

3. It is almost impossible to persuade Muhammadan women teachers to go to Trichinopoly or Madras to undergo training in the Training Schools for women there. Two were sent some years ago, but left the school after a few months, and it has not be

possible to send ~~any~~ any one since. I therefore think that opening of a temporary training class for these teachers in the locality is ~~an~~ ^a ~~urgent~~ necessity. The class may be temporary for two years with effect from 1-7-1930 and the Correspondent, C. E. Z. M. Schools, may be requested to conduct it, since the Mission has facilities to run it and can find the staff easily. The C. E. Z. M. Higher Elementary School will serve as the Model School for the Training Class.

4. The Correspondent of the school has ^{already} applied for a building grant for the addition of a room and a furniture grant for improving the equipment and I am considering the question separately. The expenses of running the class for 2 years will be as follows:-

(July 1930- March 1931 - First Year).

1). Salary of Headmistress of Training Class at Rs.100/- P. M. for 8 months from July 1930 to March 1931.	} Rs. 800/-
2) Salary of assistant mistress at Rs.31/- per mensem for 8 months.	} 248/-
3) Stipends for 16 students at Rs.10-8-0 per mensem.	} 1344/-
4) Conveyance charges for 8 months at Rs. 25/- per mensem.	} 200/-
Total Rs.	----- 2592/- -----

(April 1931- March 1932 - Second Year)

1) Salary of Headmistress at Rs.100/- per mensem	} 1200/-
2) Salary of assistant mistress at Rs.32/- per mensem.	} 384/-
3) Stipends at Rs.10-8-0 for 16 students.	2016/-
4) Conveyance at Rs.25/- per mensem.	300/-
	----- 3900/- -----

To meet the above expenditure, I propose that the opening of the Muhammadan Boys' Schools put down for the current year in the Five Year Programme be postponed to 1931-32, till the trained Muhammadan men-teachers, sent for training to Madras, return in April 1931; and the provision made for it (Rs.2148/-) utilised for the first year's expenditure mentioned above. Another ^gosha

Girls' School is provided in the programme and is due to be opened during 1931-32 at a recurring cost of Rs.2,900/-. This may be postponed to 1932-33 and the savings (if necessary with the permission of the Government of India, in both the cases) be utilised for the second year's expenditure. The excess above these allotments will be met from savings under the Educational budget.

I have the honour to be,

Sir,

Your most obedient servant,

Letter No. 8587/83-1926, dated the 10th October, 1929, from the Hon'ble the Resident in Mysore, Bangalore, to the Political Secretary to the Government of India in the Foreign and Political Department.

Schedules of demand for expenditure in connection with the five-year programme of educational expansion in the Civil and Military Station, Bangalore.

I have the honour to refer to your letter No.F.167-R/29, dated the 6th September, 1929, and to forward for the orders of the Government of India (i) a statement of new items of expenditure in connection with the five-year programme of educational expansion proposed for inclusion in the Bangalore budget estimates for the year 1930-31, and (ii) a statement giving details of the provision made in the schedule of demand

Under the orders contained in paragraph 1(i)(d) of letter No.2303-Edn., dated the 17th October, 1927, from the Government of India in the Department of Education, Health and Lands, I recommend the opening of a temporary Training class for Urdu-speaking women teachers in the Church of England Zenana Mission School, Bangalore. I enclose a statement showing the number of trained and untrained teachers working in the 5 Muhammeden Girls' schools in this Station. It will be seen from the statement that out of 30 women teachers employed in the five schools only 13 are trained and certificated and of the remainder no less than 12 are untrained. In view of the fact that more Muhammadan Girls' schools are to be opened under the five-year programme the
